Subject: cc Jimmy Stobaugh / Re: 10 21 13 EB Docket No. 11-71 Maritime Communications/Land Mobile

Ms. Kane,

I noted that you did not cc below Jimmy Stobaugh. I comment on that below.

Ms Kane, Parties, and ALJ Staff,

As you all know, long ago the ALJ, Mr. Sippel, directed that parties submitting filings provide courtesy copies by email.

In providing emailed courtesy copies of any filing, ALJ order or directive, or other communication, to me as a pro se party, please include Jimmy Stobaugh, at his email address that is shown on this email (in the cc category). I have asked this previously, and typically is has been done.

The reason is that Mr. Stobaugh assists me as a pro se party in this proceeding 11-71 in all or most all matters, and in seeking appropriate new legal counsel for this proceeding (see my last two filings) for myself and all or some of the SkyTel entities. This has been the case from the start of this 11-71 proceeding, and prior thereto, in Wireless Bureau proceedings that lead up to this 11-71 proceeding, including the "Petitioners" proceedings described in FCC 11-64.

To clarify a possibly misconception: The fact that Mr. Stobaugh is General Manager of SkyTel LLC entities, as I list in my recent filings in this 11-71 proceeding, does not mean he does not assist me in the just noted pro se party participation.

If any person has any objections or questions on this matter, please let me know. Otherwise, please implement the preceding. If that is not done, then there will be times I may not receive a communication.

A copy of this email will be filed in the docket.

Thank you,

Warren Havens
